To Whom It May Concern:

This letter is to recommend Mrs. Lorraine Brock. I have had the joy and privilege to be Keith & Lorraine's pastor now for a number of years. They are wonderful Christian folks who are dedicated to the Lord and have built a strong Christian home.

I have the very strongest confidence in Lorraine as a leader and one who unselfishly ministers to others. She and her husband Keith have built a wonderful adult class in our Sunday School, and they faithfully minister to the people of their class. It is obvious that Lorraine is very talented in regard to organizing and getting things done. She and Keith have been involved in leadership in our church and have been a great blessing to me personally as their pastor.

I know you will not be disappointed if you call upon this fine lady to speak in your church or organization.

Sincerely,
